Custom Virtual Group and Team Impact Artwork.

# BACKGROUNDS

You can request custom background artwork for Virtual Groups and Team Impacts.

We have added a few new artwork styles called "Custom Background" that you will see when ordering digital artwork in CORE. If you select one of these styles for your group artwork, you will be given a dropdown of backgrounds that you can select from.

These backgrounds can be set up by emailing ART@CANDID.COM or speaking with a customer support representative. CCS can provide you with Photoshop templates so you can design your own, or you may request a quote for us to make something custom for you.
